

Each person's journey is unique... memorable. AND YET...will it be remembered by future generations?

Our bespoke (customized) book of memories is designed to fully capture and celebrate:

- Your life journey
- OR serve as a lasting tribute to another
- OR a family storybook, preserving key facets of one or many generations

Our individually tailored LIFE JOURNEY books consists of:

- Memoir text -- provided via phone interview, audio recording, or text you supply. Editing included.
- Photos -- including skilled restoration of vintage images (color and black/white)
- Inclusion of any additional personalization: genealogy, handwritten notes or letters, newspaper clippings, medals/awards, favorite Scripture, poem, or song lyrics, words of wisdom, anecdotes by other family members...whatever you'd like to highlight!

A PROUD HEIRLOOM ON YOUR SHELF...

Optional:

- Tailored research to source historical elements to help complete your story
- LIFE JOURNEY books are designed solely for personal use, however a retail-ready version can be developed (for an additional fee)

Finished product:

- Hardbound book, high grade (70#) paper
- Full color interior and cover
- Hardbound proof copy provided for adjustments prior to production
- Direct-from-printer pricing for as many books as you'd like, minimum order: 1

RENAISSANCE CONSULTATIONS

has a 20+ year reputation for delivering quality results for their clients including a lengthy track record of exceptional "thinking outside the box" creativity and keen attention to detail.

Books created from scratch by Renaissance have received stellar publishing industry reviews and are available at bookstores and libraries nationwide. Vintage memoirs are a specialty.

Your personal LIFE JOURNEY book will receive the same degree of care in all aspects of its development.
