

# The Complete Arkangel Shakespeare

Shakespeare enthusiasts the world 'round are *raving* about this masterful collection of the Bard's timeless literary classics.

And the press have also been equally effusive...

**The New York Times**

"A rhapsody of words assembled for the ear. This venture marries *scholarship* and *accessibility* on an unmatched scale."

**Los Angeles Times**

"...one is struck by the clarity of the recording and precise, thoughtful delivery of Shakespeare's verse. Another remarkable aspect of these recordings is the music.."

**San Francisco Chronicle**

"The strengths of the recordings are immediately evident. Brill has created crisply paced, intelligently rendered and often dramatically compelling audio versions of the plays."

The infamous Royal Shakespeare Company has bestowed a rare "Recommended by" endorsement of The Complete Arkangel Shakespeare set.

*A multi-million dollar production nearly 5 years in the making, featuring over 400 classically-trained actors, and stunning original music. Enjoy a "night at the theatre" anytime!*

Leading actors in this masterful cast of today's finest Shakespearean actors include Eileen Atkins, Joseph Fiennes, Alan Howard, and David Tennant.
